Meeting 2 is for you to discuss your research paper with your faculty mentor. The paper will focus on the same topic you choose to present when you lead the seminar. For this paper (15-20 pages in length), you will need to consult primary and secondary source materials. You should show your mentor a draft of your thesis statement and paper outline for feedback. The primary purpose of this meeting is to check in on your research project and to develop your thesis and plan your argument.

**Instructions:** Please respond to the questions listed below before, during, and after your meeting with your faculty mentor. After completing the form, take clear photos of each page and upload them to Canvas by the deadline specified in the syllabus.

**Preparation before meeting**
